

# PORTABLE GENERATOR

1+1 SELL SHEET

**SERVICE PARTNERS**

## BE THE ONE-STOP SHOP FOR THE MACHINES YOUR CUSTOMERS NEED AND THE GENERATORS TO BACK THEM UP

Service Partners now offers the generators your customer needs to keep their business running.

**KWM  
IRONMAN**

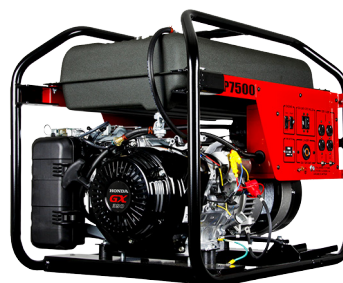

**WINCO  
W6000HE**

The Winco W6000HE is the best choice to power Service Partners most popular gutter machine - the KWM Ironman.

**KRENDL  
475**

Also powers:  
Intec Force/2HP  
Krendl 425  
CertainTeed Bolt 3

**WINCO  
DP7500**

Your customers can rely on the Winco DP7500 to power most of the popular blow machines that Service Partners sells.

**INTEC  
TURBO FORCE  
HP MAX**

Also powers:  
Intec Turbo Force HP2

**WINCO  
W10000VE**

Choose the W10000VE for the customers looking to power larger blow machines, such as the Intec Turbo Force or the CertainTeed Bolt 3.

To find the generator for less commonly sold machines, refer to [www.service-partners.com/GENERATORPAGE](http://www.service-partners.com/GENERATORPAGE)

When paired with the proper machine, these generators will have enough load balance for commonly used tools.
